

LOGITECH RALLY BAR MICROSOFT TEAMS ROOM

ALL-IN-ONE APPLIANCE SOLUTION FOR MEDIUM TO LARGE ROOMS

The Logitech Rally Bar is an all-in-one video conferencing bar, featuring brilliant optics, automated PTZ, and high-performance audio for medium to large meeting rooms.

The Rally Bar can be used for **BYOD** and/or **Appliance Mode Rooms**. With the built in Android you can use your preferred video conferencing platform, including **Microsoft Teams, Zoom Rooms, RingCentral** and **others**.

In appliance mode, your room will have a specific room licence dedicated to that space. Paired with the **Logitech TAP IP**, network-connected touch controller you can seamlessly start and control your meetings at the touch of a screen.

You can wall mount, table mount or sit your TAP on the table through a table box.

ADDITIONAL MICROPHONE PODS

You can add up to an **additional 3 microphone pods** for larger rooms to have expanded audio coverage and provide convenient access to mute controls.

You can then choose to have your microphones either **in-ceiling mounted, hanging ceiling pendant** or **in-table mounted**.

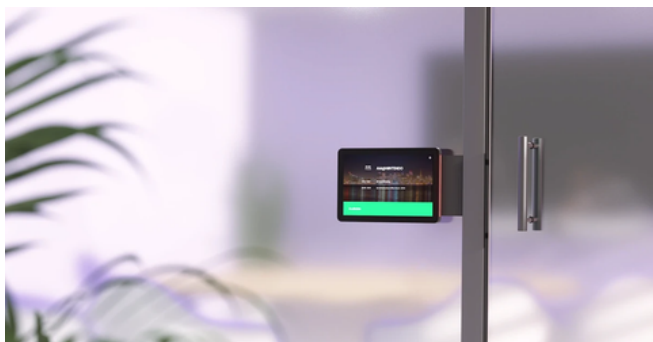

EXAMPLE INSTALL

LOGITECH TAP SCHEDULER

Add a **Logitech Tap Scheduler Room Booking Panel**, to streamline reservations for user convenience and walk-in connectivity. You can easily check availability of the room by the colour light on the side of the panel.

The Booking Panel can be installed on glass or the wall.
